Below the list, there are two checkboxes: "Favorites" and "Tagged (46)". To the right of the Notepad window is a smaller window titled "USPAT:USHPUNT Base". It has a search bar with the text "Default keyword" and a "Go" button. Below the search bar is a large empty rectangular area. At the bottom of the screen, a taskbar shows the "Ready" status and a clock displaying "11:41 AM".
